Leather Cleaner

Excellent water-surfactant based cleaner with low solvent content.

Fields for application:

For all colourfast smooth leathers and Alcantara!

Properties:

- Effective swelling and removal of typical soiling such as mustard, ketchup, chocolate, sunscreen, shoe polish and textile dye
- Restores suppleness to the leather
- Phosphate-free
- Contains no mineral oil-based hydrocarbons

Application:

1. Remove dust and coarse dirt with a vacuum cleaner
2. Spray cleaner solution onto a soft brush or sponge and spread over the surface to be cleaned. Let to take effect for max. 1 minute. Then remove the softened dirt from the surface by gently brushing or wiping, without working it into the leather or Alcantara
- 3a. Leather: Finally wipe with a damp cloth and rub dry with a soft microfiber cloth
- 3b. Alcantara: Ideally use a spray extractor with distilled water to remove any swelled dirt or cleaner residues from the surface

Note:

Test colour fastness / material compatibility at an inconspicuous area. Not suitable for suede. After cleaning, treat with a leather care product (does not apply for Alcantara!).

Technical data:

Chemical basis	Water based surfactant cleaner
Colour	Colourless, clear
Odour	Characteristic / pleasant
AOX-free	Yes
Silicone-free	Yes

TECHNICAL DATA SHEET

VOC-free	No
Density at 20°C (g/ml)	1.0
Shelf life	24 month
